

HOT.RIBBON/FOIL.DATE.PRINTER

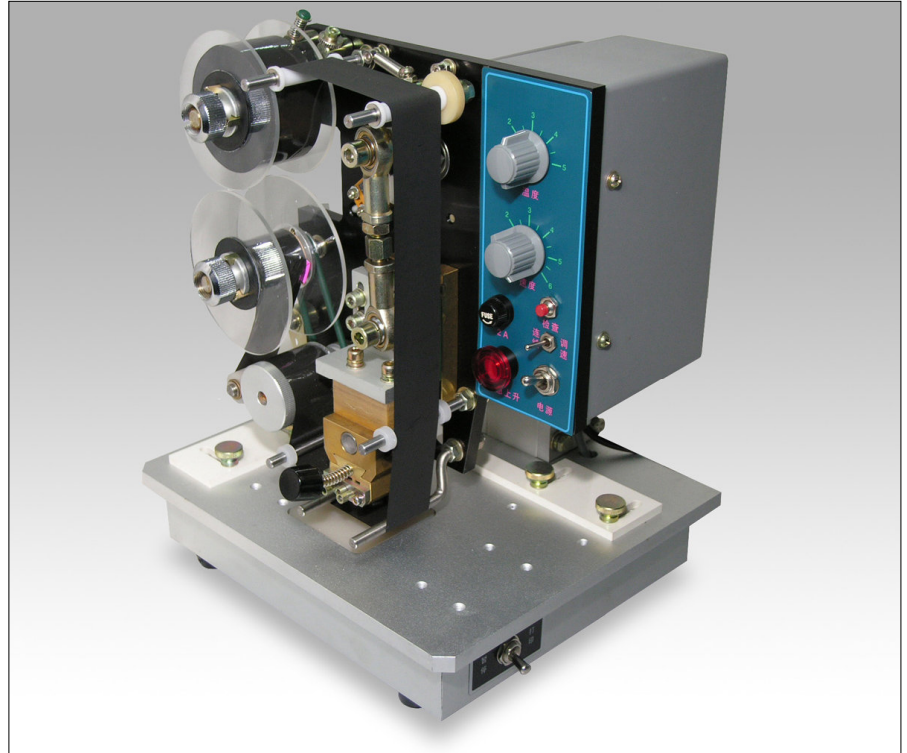

HDP-1

The HDP-1 hot foil / ribbon date printer ideal for imprinting date codes, lot numbers, expiration dates, and other letters/numbers onto plastic and paper bags. The imprinted result dries instantly and works great in humid environments. Two operating modes — automatic printing and manual printing available for user selection. The printing speed can be set in the automatic mode. In the manual mode, the imprinting is controlled by using the foot pedal switch. Pressure of imprinting can be adjusted easily.

Features:

- Hot foil / ribbon printing.
- Easy installation and user friendly.
- Neat, clear & sharp printing character.
- Used ribbon disposal auto-winding.
- Low cost operation.
- Mechanically and motorized operation.
- Adjustable printing temperature.
- Foot switch operation or speed synchronization operation.
- Emergency switch.
- Adjustable X-Y axis guides.
- 3 lines printing.
